

FAMDENT DDP - Redefining Dentistry (Formerly EDUDENT)

A Famdent initiative

What is FAMDENT DDP?

- **Quality Continuing Dental Education** – CDE Programs, Workshops, Videos, Online Education and more.....
- Guidance & Counseling for Post Graduation and other advanced Education in India
- **Opportunities Abroad** – Counseling, Admissions, Visa Guidance, Jobs, etc. for Dental Education, Opportunities and Careers out of India

FAMDENT DDP – An Initiative of FAMDENT

Commences its activities with an exceptional 16- day Clinical Proficiency Programme (Finishing School of Dentistry) – in Mumbai & Delhi.
The most comprehensive CDE program ever!

FAQs

1. What is the Clinical Proficiency Programme?

This is a 16 day continuum in 3 modules of approx. a week each to enhance the clinical proficiency of a young graduate.

2. How is it different from other similar outfits?

The focus will be to make the delegates PRACTICE READY and to help them find placements at suitable clinics as observers and /or associates.

3. Who are the faculty?

Renowned faculty with a vast experience in Clinical Dentistry. Refer to the schedule and our website.

4. Where are the modules slated?

Initially Mumbai and Delhi....later Indore, Bengluru, Chennai, Chandigarh, Kolkatta....

5. Is it recognised by DCI?

As of now there aren't any guidelines for such programmes to be accredited by the DCI. As and when there will be guidelines, we will certainly seek approvals.

6. Is the course entry level or advanced?

The aim is to enable the understanding of essentials for a quality practice, however an integral part will be management of advanced and complicated cases.
