# DENTAL INDUSTRY IN INDIA

Dentistry is one of the fastest growing Healthcare industry in India. Current estimates put the number of registered Dentists at over 2,00,000 excluding non-registered Dentists who are mainly based in rural areas. Coupled this with over 5000 dental laboratories and 325 dental institutes, the Indian dental market is vast and it is predicted that India will be one of the largest single country markets for dental products and materials. Every year approx. 15,000 new Dentists are added in India. Dentistry in India is expected grow 20% annually - mainly due to following factors:

- Increased oral care awareness fueled by offline and online media.
- Growth in Dental Tourism - Due to the huge professional fees difference, this is an extremely lucrative revenue model for Dental Clinics.
- Increase in market size due to proliferation on Chains of Dental Clinics including reputed names like Apollo Group, Wockhardt and Fortis Healthcare.
- Reduced Import duties and acceleration in Dental product imports.
- Dental Insurance - the next few years will see a major shift from fee paying patients to insurance ones.

The overall image of India in the world economy coupled with specific upheaval in the Dental segment, promises to double the growth in Dentistry in the next 5 years.

## ABOUT FAMDENT

Founded in 2000 as a premium publication on Clinical Dentistry based on international standards, FAMDENT now has multiple offerings with a strong foothold in the Indian Dental Industry.

FAMDENT's journey evolved rapidly to include Famdent Shows, Famdent conferences, Famdent Awards, Corporate Solutions, Workshops, Clinics & more - a brand of repute that now resonates with almost every Dentist in the country.

Currently, 3 Famdent Shows are hosted annually - the flagship Mumbai Show and 2 Shows in Tier 2 cities across India. Collectively the annual footfalls are in excess of 20000 per year.

FAMDENT SHOWS & AWARDS are now part of the MEDICALliance, the umbrella brand for all global healthcare exhibition activities of the Messe Düsseldorf Group.

Messe Düsseldorf India, a fully owned subsidiary of Messe Düsseldorf GmbH, is one of the leading trade fair organizers in India and is dedicated to closely work with both Indian as well as international partners and further be a catalyst for the development of trade industry in India. The company has been successfully organizing established trade fairs like Medical Fair India, Energy Storage India, in-store asia, INOS+H, glasspex India, glasspro India, pacprocess, food pex India, India Essen Welding and Cutting, wire India, Tube India and Metallurgy India.
